VISION FOR RECONCILIATION

Our vision for reconciliation is an Australia where every Aboriginal and Torres Strait Islander child feels welcome in Tralee Gardens early learning centre, and all children, families and educators learn about the true histories and cultures of the First Nations peoples of Australia. Our vision of reconciliation is based and measured on five dimensions: historical acceptance; race relations; equality and equity; institutional integrity and unity. We believe that greater acceptance of Australia's true history will help us improve race relations in our community leading to greater equality and equity for all people. Reconciliation is an ongoing journey that many Australians have fought hard for and we will do our part to make meaningful change.

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander People in the Classroom	We are committed to engaging Aboriginal and Torres Strait Islander people in our learning activities. Having Aboriginal and Torres Strait Islander voices in learning environments is vital when teaching about Aboriginal and Torres Strait Islander histories and cultures.
Early Years Learning Framework	We seek out ways to connect our reconciliation vision and plans and Early Years Learning Framework principles, practices and outcomes. Our efforts mean reconciliation is embedded in everyday early learning environments.

RAP ACTIONS	COMMITMENT
Cultural Responsiveness for Staff	Staff are supported to reflect on and build their cultural responsiveness to improve their practice and best support the needs of Aboriginal and Torres Strait Islander students. Staff are provided with a range of opportunities to build their knowledge and understanding of their own positionality and Aboriginal and Torres Strait Islander perspectives, contributions and cultures.

RAP ACTIONS	COMMITMENT
Welcome to Country	Where appropriate, significant events at our early learning service commence with a Welcome to Country. Protocols for welcoming visitors to Country have been a part of Aboriginal and Torres Strait Islander cultures for thousands of years. By incorporating these protocols into formal events and important occasions, we recognise Aboriginal and Torres Strait Islander peoples as the First Australians and Custodians of the Land.
Celebrate National Reconciliation Week	Our early learning service community celebrates National Reconciliation Week (NRW) which is held from 27 May to 3 June each year by talking about reconciliation in the classroom and around the school, and celebrating with the community. NRW is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.
Build Relationships with Community	We commit to building relationships with our local Aboriginal and Torres Strait Islander community that are built on mutual respect, trust and inclusiveness. We value these relationships and their role in helping to create opportunities for Aboriginal and Torres Strait Islander and non-Indigenous staff, students, children and community members.

RAP ACTIONS	COMMITMENT
Teach about Reconciliation	Our early learning service community is committed to learning about reconciliation in Australia. Having an understanding of the concept, history and progress of reconciliation is an important part of continuing the reconciliation journey. This understanding also helps to strengthen engagement with our early learning service's RAP by positioning it within the broader story of reconciliation in Australia.
Teach about Days of National Significance	We commit to incorporating nationally significant days for Aboriginal and Torres Strait Islander peoples and reconciliation into our curriculum to increase knowledge of Aboriginal and Torres Strait Islander histories, cultures, contributions and contemporary issues. We also commit to including Aboriginal and Torres Strait Islander perspectives when teaching about other national days, such as 26 January (Australia Day) and ANZAC Day.
Explore Current Affairs and Issues	We are committed to raising awareness of current affairs and issues in the public domain that are of particular significance to Aboriginal and Torres Strait Islander peoples and the process of reconciliation. This will be done through curriculum delivery, policies and procedures, and will be integrated into the ethos of our early learning service.

RAP ACTIONS	COMMITMENT
Acknowledgement of Country	Our early learning service recognises the continuing connection of Aboriginal and Torres Strait Islander peoples to the Country on which we live, work, learn and grow. All staff and students have the opportunity to show respect to Traditional Owners and Custodians by regularly conducting an Acknowledgement of Country at meetings and events throughout the year.
Visibly Demonstrate Respect for Aboriginal and Torres Strait Islander Cultures	We commit to demonstrating our respect for Aboriginal and Torres Strait Islander histories and cultures in the physical environment of our early learning service. We understand that making our respect visible in the learning environment through the incorporation of meaningful, relevant and culturally appropriate art, artefacts and symbolism reinforces our work toward reconciliation. It also makes our intentions and actions clear to our students, parents and the broader community.
Care for Country	We commit to actively connecting with, and caring for, the Country/place on which our early learning service stands. This involves respectfully learning about Aboriginal and Torres Strait Islander perspectives, philosophies and practices about caring for Country/place, as well as physically demonstrating respect for the skies, waterways and Land on which we live and learn. We will consider First Nations perspectives as part of broader sustainability plans, policies and practices. This will reinforce the meaningful and continuous connections Aboriginal and Torres Strait Islander peoples have continued to have with Country/place since time immemorial, as well as provide positive opportunities for all members of our educational community to become socially and environmentally responsible citizens who display a growing awareness of the importance of First Nations land management and sustainability.

RAP ACTIONS	COMMITMENT
Celebrate Days of National Significance	We commit to organising and participating in events to celebrate or commemorate days/weeks of national significance for Aboriginal and Torres Strait Islander peoples and the reconciliation movement to show our pride in, and respect for, Aboriginal and Torres Strait Islander histories, cultures and contributions. We also commit to including Aboriginal and Torres Strait Islander perspectives when we commemorate other national days, such as January 26 (Australia Day) and Anzac Day.
Aboriginal and Torres Strait Islander Flags	Our early learning service flies or displays the Aboriginal and Torres Strait Islander flags as a demonstration of our pride and respect for the histories, cultures and contributions of Australia's First Peoples. Flying or displaying the flags promotes a sense of community partnership and a commitment toward reconciliation.
Take Action Against Racism	We will raise awareness of racism, its impacts and how to respond effectively when it happens. We will do this through an anti-racism strategy tailored to the needs of our early learning service.

RAP ACTIONS	COMMITMENT
Curriculum Planning	Embedding Aboriginal and Torres Strait Islander histories and cultures in curriculum planning, development and evaluation processes is a key and ongoing consideration across all year levels and learning areas. Curriculum documents have or will be audited to identify the extent to which Aboriginal and Torres Strait Islander histories, cultures and contributions are already embedded, and to identify opportunities for strengthening the representation of this content in the curriculum.

RAP ACTIONS	COMMITMENT
Inclusive Policies	All staff in our early learning service are aware of policies that refer specifically to improving educational outcomes for Aboriginal and Torres Strait Islander people and increasing knowledge of, and respect for, Aboriginal and Torres Strait Islander histories and cultures in Australia. We have a plan in place to ensure all staff comply with these policies in their daily practice. Our internal policies have been, or will be, amended to ensure they are also inclusive of Aboriginal and Torres Strait Islander peoples and increase knowledge of Aboriginal and Torres Strait Islander histories and cultures in Australia.
Staff Engagement with RAP	Commitment to the Reconciliation Action Plan (RAP) from all staff is essential for developing a RAP that is implemented in a meaningful and sustainable way. All staff will be involved in the ongoing development and implementation of our RAP through staff development opportunities facilitated by the RAP Working Group.

RAP ACTIONS	COMMITMENT
Local Sites, Events and Excursions	We commit to learning more about the Aboriginal and Torres Strait Islander histories, cultures and contributions of the Country on which we live, work, learn and play, by working with the local Aboriginal and Torres Strait Islander community to learn about events of historical and cultural significance and visit appropriate sites.
Celebrate RAP Progress	We are committed to reflecting on the progress made in the growth of knowledge and pride in Aboriginal and Torres Strait Islander histories, cultures and contributions in our early learning service. We will track the progress of our RAP, continually revisit our commitments, and celebrate our achievements, while generating new ideas to develop and sustain our RAP into the future.
Aboriginal and Torres Strait Islander Languages	We commit to providing students and children with a deeper knowledge and understanding of Aboriginal and Torres Strait Islander cultures and identities by learning about Aboriginal and Torres Strait Islander languages. We acknowledge the importance of language maintenance and revitalisation efforts and will provide students and children with opportunities to learn - or learn about - the First Language of their local area.
